HEALING OF A WOUNDED IDEALIST

On February 24, 2018, various people from the Leadership group will present a class on "Healing of a Wounded Idealist", from 1pm - 5pm, at the UofM in room 35 of Nicholson Hall. Over time, and with struggles, Christians who came into their walk with God as idealists can experience hurt or disillusionment, which can then evolve into cynicism. If you or someone you know could be described as a "wounded idealist", this teaching event will equip you to bring healing and new growth into your life and theirs by escaping this cycle from disillusionment to cynicism. To get the most out of this event, you can read the book "The Healing of a Wounded Idealist" by Justin and Irene Renton.
