HERmeneutics

HERmeneutics is continuing to meet throughout the summer. The next dates are June 17th and July 1st before church. The best way for sisters who are interested to keep up with what is happening is to contact Nissi George or Susan Johnson and get put on the email list to receive the topics and details for each meeting.

MDT CHANGES

The Ministry Development and Training Program that has operated in Minneapolis successfully for the last four years is undergoing some exciting changes. We are merging efforts with the Chicago Church to become the Midwest School of Missions with two locations (Chicago and Minneapolis). This will officially begin in August. Due to this change and the coordination of courses between the two locations, the previously published dates for MDT are no longer valid. The new dates for MSMM (Midwest School of Missions Minneapolis) for 2018 are below. If you are interested in enrolling in the MSMM program or registering for individual courses, please see Marti Busch. For further information on the

MSMM or the dates and information for the Midwest School of Missions Chicago location please see www.midwestschool.org.
